# License plate placard

Printing Instructions:
1) Print this document on letter size paper (8.5" x 11").
2) In the printer settings, make sure page size is set to "actual size".
3) Using a marker, print your license plate number clearly in the box.
4) Use scissors to cut out the license plate placard. Tape the placard to the bottom right corner of your front windshield.

Example Only:

3LOR28E7

Write the letter to be 3" tall

5"

9"
